

THE WISE MAN

Not gonna let the wise man
Boast about his wisdom
He is nothing without me
He knows nothing without me
Not gonna let the strong man
Boast about his strength
See Goliath fall
I use the weak to claim the strong

*If you wanna boast
Boast in this
If you wanna boast
Boast in this
That I am the Lord, and there is no other
I am your God, the almighty saviour
And though I'm unbound by space and time
I call you mine*

Not gonna let the old man
Boast in all his ages
He is nothing without me
He's lived nothing without me
Not gonna let the proud one
Think that he knows all
That science is a god
And we are under his control

And though money has no heart
It can still own your soul

Life has many prisons
Made of more than rock and stone
But I'm the God who gave you life
That you might live it free
So boast, boast in me

Your kingdom lies behind the walls
Of that seems impossible
But you are mine
And I am yours

So I'm gonna boast

Boast in this

Yes I'm gonna boast

Boast in this

I am gonna boast

Boast in this

Yes I'm gonna boast

Boast in this

That you are the Lord and there is no other

You are my God, the almighty saviour

And though you're unbound by space and time

I call you mine
