

## WHERE CAN I GO

Where can I go from your presence  
Where can I flee from your side  
How fast can I run to escape your loving embrace  
Where can I go?

I rise on the wings of the dawn  
Or sail to the far side of the sea  
Even there your arms will guide me  
Your right hand hold be fast  
Where can I go where your love won't last?

*They say "Lord speak louder, Lord sing higher  
Crack the earth with your thunder  
Speak words from the clouds  
Lord speak louder, Lord try harder"  
You said to seek but we just cannot find  
Yet I can hear you in the wind*

Can I hide in the heavens (with the moon and the stars)  
Or sink through the depths of the sea (where it's darker)?  
For surely dark will hide me  
And the light become like night  
But your eyes see through the blackest of skies

*They say "Lord speak louder, Lord sing higher  
Let your voice strike as lightning And shatter the sky  
Lord speak louder, Lord try harder"  
You said this generation needs a sign  
Yet I can hear you in the wind*

Oh unbelieving generation, why can't you see  
The ruler of all the universe, Is right in front of me?  
I can feel Him in the rushing wind  
And hear Him in silent thoughts  
Oh why can't you see at all?

Where can you go from His presence?  
I tell you the truth you can't hide  
And you can't outrun or escape His loving embrace  
Can you hear Him in the wind?
